What this report is: a weekly briefing for Arkansas nonprofit directors.
It collects the deadlines, funding windows, rule changes, and regional signals a director needs for the week ahead.
Every claim carries its source.
Start here: new directors start at the closing dates board.
Experienced directors go to Funding and their region.

Board Minute: no Board Minute this week.

1. NEXT 14 DAYS — MONDAY, NOVEMBER 2 TO SUNDAY, NOVEMBER 15, 2026

- **Mon Nov 2** — Public comment closes TODAY on two Department of Human Services rules: Behavioral Health Services and Support for Medicaid, and the Provider-Led Arkansas Shared Savings Entity (PASSE) 1915(b) Waiver Renewal. Arkansas Farm Bureau Foundation community grants open. The first Impact Works Nonprofit Accelerator cohort begins (Rally Point).
- **Tue Nov 3** — Election Day. Storms cross the state west to east (Section 11). Chili cookoff benefiting CASA of Saline County, Benton.
- **Thu Nov 5** — AFP Arkansas National Philanthropy Day Luncheon, 11:30 a.m. to 1:00 p.m., DoubleTree by Hilton, Little Rock. UCA Veterans Information Fair, 1:00 to 3:30 p.m., McCastlain Hall Ballroom,

Conway. Registration closes today for the Servant Leader Luncheon.

- **Fri Nov 6** — ALC-JBC Budget Hearings, Governor's Balanced Budget, 9:00 a.m., Room A, MAC Building. Delta Dental of Arkansas Foundation Mini Grants due. Breakfast Equipment Expansion Grant applications due (schools). Servant Leader Luncheon, 11:30 a.m. to 1:00 p.m., Nonprofit Center of Excellence, Little Rock (Rally Point).
- **Sat Nov 7** — Veterans Suicide Awareness Walk, 11:00 a.m., ASU-Beebe campus, Beebe.
- **Tue Nov 10** — Department of Human Services rule hearings: Sedation Dental Coverage, 10:00 a.m.; Medicaid Service Delivery in Mobile Units, 10:30 a.m.
- **Wed Nov 11** — Veterans Day. UAFS Center for Nonprofits Action Summit, 9:00 a.m. to noon, Fort Smith. Arkansas Counseling Association conference begins, North Little Rock (runs November 11 to 13).
- **Fri Nov 13** — Arkansas Veterans' Business Summit, 9:00 a.m. to 3:00 p.m., State Extension Office, Little Rock. ADE Transportation Modernization Grant Program, cycle 2, closes.

2. WEEK IN BRIEF

- **Comment closes today.** Two Department of Human Services comment periods end Monday, November 2: Behavioral Health Services and Support for Medicaid, and the PASSE 1915(b) Waiver Renewal. Section 3 carries the detail.
- **Dyed diesel relief extended.** Governor's Executive Order 26-16, signed October 30, extends the state of emergency and the temporary suspension of certain motor fuel penalties for qualifying farm and forestry vehicles under EO 26-15. The new end date does not stand in the order text read; federal penalty relief runs through December 31, 2026. Section 4 carries the update against last week's expiry line.
- **Drought worsened.** The U.S. Drought Monitor release of October 29 (data valid October 27) puts exceptional drought on 37.06 percent of Arkansas, up from 19.43 percent the week before. The whole state stands in at least abnormally dry conditions. Section 11 carries the readiness picture.
- **Full Table Fund notice settled.** The Arkansas Community Foundation's fund page, read November 1, states that a Notice of Intent is not required to apply. The notice date stands November 23. Section 4 corrects last week's framing.
- **The first cohort begins.** The Impact Works Nonprofit Accelerator opens today with nonprofit organizations from Arkansas, Alabama, and Washington, twelve weeks, six modules, delivered remotely. Section 9 carries the detail.
- **Storms on Election Day.** A Tuesday system brings heavy rain in places and a few strong to severe storms possible Tuesday afternoon and evening. Section 11.

3. ARKANSAS RULE OR DEADLINE

Two DHS comment periods close today, Monday, November 2. The Department of Human Services public comment periods on Behavioral Health Services and Support for Medicaid and on the Provider-Led Arkansas Shared Savings Entity (PASSE) 1915(b) Waiver Renewal both ran October 4 through November 2, 2026. A PASSE is a provider-led organization that manages care for Medicaid members with complex behavioral health or developmental needs. Organizations that deliver behavioral health services under Medicaid and have not commented are at the deadline today. (Source: Arkansas Department of Human Services, Proposed Rules page, checked November 1.)

Standing Secretary of State rules, checked again this week. No change stands on the Secretary of State nonprofit and charitable entities page (checked November 1). The two standing rules hold: the nonprofit corporation annual report is due August 1 each year, and the charitable organization annual financial report is due within 180 days after the organization's own fiscal year end.

4. UPDATES AND CORRECTIONS

- **Full Table Fund Notice of Intent.** Last week's issue called the November 23 Notice of Intent recommended. The Arkansas Community Foundation's fund page, read November 1, settles the point: submitting a Notice of Intent is not required to apply; it helps the Foundation plan. The date stands November 23, 2026. Applications close December 7, 2026, and awards come in February 2027. Plan on December 7.
- **EO 26-15 expiry corrected.** Last week's issue reported the dyed diesel relief expiring Friday, October 30, unless extended. It was extended the same day. EO 26-16 (October 30, 2026) amends EO 26-15 and continues the emergency and the penalty suspension for qualifying farm and forestry vehicles. The new end date does not stand in the order text read on the Governor's page November 1, and this issue does not print one. The federal penalty relief the order cites runs through December 31, 2026.
- **DHS hearing comment dates settled.** Last week the comment end dates for the Sedation Dental Coverage and Mobile Units rules stood unknown. Both comment periods run October 23 through November 21, 2026, with hearings Tuesday, November 10. A third rule on the same dates, Minimum Licensing Standards for Child Welfare Agencies, is new this week; no hearing date for it stands in this issue.
- **Budget hearing verified.** The November 6 ALC-JBC hearing on the Governor's Balanced Budget rode last week on a tentative agenda. It now stands verified on the Legislature's meetings calendar: Friday, November 6, 9:00 a.m., Room A, MAC Building.

5. FUNDING

Each listing carries a fit test. Answer the four questions before you spend application time: Does your mission match the funder's stated purpose? Is your organization eligible on the funder's own terms? Can you do the work the grant pays for? Can you meet the reporting the grant requires?

Delta Dental of Arkansas Foundation Mini Grants. Due Friday, November 6, 2026. Grants up to $2,500 for Arkansas-based nonprofits addressing oral health in their communities. Fit test: a short window and a small, clean award. A community oral health project that can be described in a page is the fit. (Source: Delta Dental of Arkansas Foundation, funding opportunities, checked November 1.)

Arkansas Farm Bureau Foundation Community Grant Program. Opens Monday, November 2, 2026; closes January 15, 2027. Grants up to $10,000, one cycle per year, for Arkansas nonprofits and tax-exempt entities whose projects serve the Foundation's agricultural and rural community mission. The guidelines bar wages and benefits. Fit test: a rural project with a clear agriculture or rural community benefit and a budget that needs no staff time charged to the grant. (Source: Arkansas Farm Bureau Foundation, 2026-27 community grant guidelines, read November 1.)

Arkansas Full Table Fund, carried with the notice settled. A $10 million Arkansas Community Foundation program for Arkansas food security work, in three streams: Advocate, Strengthen, and Innovate. Phase One grants range up to $200,000 on the fund page; the request for applications carries the stream detail. Notice of Intent by November 23, 2026, is not required to apply. Applications close December 7, 2026, at 11:59 p.m. Central. Awards February 2027. Fit test unchanged: Arkansas food security work

with a clear county footprint and a track record the Foundation can read. (Source: Arkansas Community Foundation, Full Table Fund page and request for applications, read November 1.)

OJJDP Expanding Youth Access to Community-Based Treatment. Two-step deadline: November 16 and November 23, 2026. Federal grants up to $650,000 (six awards, $4 million total, 36 months) for community-based treatment of youth with substance use disorders and co-occurring mental health needs. Nonprofits with or without 501(c)(3) status are eligible. No match. The honest gate: the SAM.gov registration window for this opportunity closed October 30, so only an organization already registered can still enter. Step 1 is the SF-424 in Grants.gov by November 16, 2026, 11:59 p.m. Eastern. Step 2 is the full application in JustGrants by November 23, 2026, 8:59 p.m. Eastern. Fit test: a youth treatment program with a registration already in place and a draft ready to move this week. (Source: Office of Juvenile Justice and Delinquency Prevention, notice of funding opportunity O-OJJDP-2026-172737, read November 1.)

Delta Dental of Arkansas Foundation Oral Health Education Grants. Next submission deadline December 18, 2026. Grants from $2,500 to $30,000 per organization for oral health education programs serving underserved Arkansas residents. Arkansas-based 501(c)(3) nonprofits, government agencies, schools, and charitable dental facilities are eligible. Applications are accepted on a rolling basis with board decisions quarterly; the 2026-27 submission deadlines are December 18, 2026, then March 5, June 4, September 3, and December 3, 2027. Fit test: an education program with a way to measure what participants learn; the Foundation asks for a pre and post program assessment. (Source: Delta Dental of Arkansas Foundation, Oral Health Education Grants page, read November 1.)

Fisher Service Awards 2027. Applications open. Fisher House Foundation and the Military Times Foundation distribute $400,000 to five nonprofit programs that improve life for service members, veterans, and their families: one award of $100,000 and four of $75,000, each with an advertising package. Fit test: this is a recognition award for a program already running and already producing results, not seed money. A veteran-serving organization with an innovative program and documented outcomes is the fit. The publisher's page, read November 1, carries the application route. (Source: Fisher House Foundation, Fisher Service Awards, read November 1.)

Breakfast Equipment Expansion Grant. Due Friday, November 6, 2026. Part of the $564,267 school nutrition equipment package announced October 21 by the Governor and the Arkansas Department of Agriculture. Fit test: schools and school districts only on the face of the announcement. The companion USDA Equipment Assistance Grant is due November 20, 2026, on the same terms. (Source: Governor and Department of Agriculture release, October 21, 2026.)

ADE Transportation Modernization Grant Program, cycle 2. Closes November 13, 2026. The ADE commissioner's memo governs eligibility; nonprofits appear among the entities ADE may deem eligible on the memo's face. Confirm your organization's eligibility in the memo before spending application time. (Source: Arkansas Department of Education Commissioner's Memo, 2026.)

6. GOVERNANCE AND PARTNERSHIPS

Budget hearing Friday. The ALC-JBC (Arkansas Legislative Council, Joint Budget Committee) hears the Governor's Balanced Budget on Friday, November 6, at 9:00 a.m., Room A, MAC Building. For directors: the budget hearings are where next year's state funding posture first becomes visible. Read your agency's hearing materials while the record is fresh. (Source: Arkansas Legislature meetings calendar, checked November 1.)

Three DHS rules in comment through November 21. Sedation Dental Coverage and Medicaid Service Delivery in Mobile Units hold hearings Tuesday, November 10 (10:00 and 10:30 a.m.), and Minimum

Licensing Standards for Child Welfare Agencies joins them in the same comment window, October 23 through November 21, 2026. Child welfare agencies should note the licensing standards item in particular; no hearing date for it stands in this issue. A DHS final rule also took effect November 1: Physician Assistants and Clinical Nurse Specialists as Primary Care Providers. (Source: Arkansas Department of Human Services, Proposed Rules page, checked November 1.)

Session pre-filing opens November 16. Bill pre-filing for the 2027 Regular Session opens Monday, November 16. Organizations that follow legislation should have their bill tracking in place before the session calendar fills. (Source: Arkansas Legislature, Session Important Dates 2027.)

7. REGIONAL WATCH

- **Central.** Budget hearings at the MAC Building Friday (Section 6). The AFP Philanthropy Day Luncheon brings the state's fundraising community to Little Rock Thursday (Section 8). No weather alerts for Little Rock at check time Sunday evening; Tuesday storms are the operational item (Section 11).
- **Northeast and the Delta.** A National Weather Service Memphis Flood Advisory covered east central Crittenden County early Sunday, November 1 (1:15 to 5:15 a.m.), on one to one and a half inches of rain, and expired before this issue. The county's nonprofit read rides in the county reads below.
- **Northwest.** Severe thunderstorms are possible late Monday into Tuesday in the Fayetteville area forecast, ahead of the statewide Tuesday system. Benton County's read rides in the county reads below.
- **Southeast.** Drought is the standing condition (Section 11), and the Tuesday system brings the region's best rain chance in weeks. No county figure is printed this week that the sources do not carry.
- **Southwest.** The same drought and fire picture (Section 11). The Tuesday rain reaches the southwest first as the system moves west to east.

County reads from the NCRI, the Nonprofit Community Resiliency Index, follow for the counties this issue touches. Each read names its edition and stands as of that edition, never as this week's measurement. Reads are event-driven: each county is here because an item in this issue touches it.

Pulaski County (touched by the AFP Philanthropy Day Luncheon, Little Rock, November 5). Capacity read: 2,027 documented 501(c)(3) organizations on the net basis; 50.7 charities per 10,000 residents, beside the statewide middle county at 36.11; filing coverage 674 filed of 2,027. Needs read, as printed in the edition: the most pressing service needs are documented service presence and language and access barriers; the heaviest requirements on the organizations serving the county are leadership bench and financial management strength. Flag status: the Equity Priority Flag does not stand for Pulaski County (the county meets 2 of 3 tests). Edition 2026-10, Rev. 2.

Saline County (touched by the CASA of Saline County chili cookoff, Benton, November 3). Capacity read: 299 documented 501(c)(3) organizations on the net basis; 23.5 per 10,000 residents, beside the statewide middle county at 36.11; filing coverage 65 filed of 299. Needs read, as printed: most pressing, documented service presence and housing and transportation; heaviest requirements, funding access and bench depth. Flag status: the Equity Priority Flag does not stand (1 of 3 tests). Edition 2026-10, Rev. 2.

Benton County (touched by the Northwest Arkansas storm risk, late November 2 into November 3). Capacity read: 1,068 documented 501(c)(3) organizations on the net basis; 35.2 per 10,000 residents, beside the statewide middle county at 36.11; filing coverage 321 filed of 1,068. Needs read, as printed: most pressing, documented service presence and health access; heaviest requirements, leadership bench and financial management strength. Flag status: the Equity Priority Flag does not stand (2 of 3 tests). Edition 2026-10, Rev. 2.

Capacity notes, Edition 1. The Edition 1 brief form carries no panel closings and no Equity Priority Flag, so only the capacity read prints for these counties. Crittenden County (touched by the November 1 flood advisory): 148 documented 501(c)(3)s, 31.31 per 10,000 residents, filing coverage 20 of 148 filed with financials. Union County (touched by the Canfor investment announcement, El Dorado): 212 documented, 55.94 per 10,000, 77 of 212. Mississippi County (touched by the U.S. Steel groundbreaking, Osceola): 157 documented, 40.13 per 10,000, 34 of 157. Clark County (touched by the Clark County Community Foundation awards): 126 documented, 59.64 per 10,000, 28 of 126. Edition 1, released October 19, 2026.

Standing sentence for every read above: capacity here means documented nonprofit presence and filing health. It does not mean any organization listed can respond to a disaster, has trained volunteers, or has agreements in place.

8. CONVENINGS AND COALITIONS

- **AFP Arkansas National Philanthropy Day Luncheon.** Thursday, November 5, 11:30 a.m. to 1:00 p.m. (doors 11:00 a.m.), DoubleTree by Hilton, Little Rock. Single luncheon tickets $150, on sale at the chapter's event page; proceeds fund scholarships for AFP Arkansas members. The luncheon closes the chapter's Festival of Philanthropy day. (Source: AFP Arkansas Chapter, event page, read November 1.)
- **UCA Veterans Information Fair.** Thursday, November 5, 1:00 to 3:30 p.m., McCastlain Hall Ballroom, University of Central Arkansas, Conway. Part of the university's Veterans Day celebration. (Source: University of Central Arkansas, 2026.)
- **Servant Leader Luncheon (Rally Point).** Friday, November 6, 11:30 a.m. to 1:00 p.m., Nonprofit Center of Excellence, 323 Center Street, Little Rock. Theme: Healthy Work Life Boundaries, led by Heather McMahan of Karisma Consulting. Fifteen seats, $25. Registration closes Thursday, November 5. Registration: buytickets.at/karismaconsulting/2336340
- **Veterans Suicide Awareness Walk.** Saturday, November 7, 11:00 a.m., ASU-Beebe campus near the McKay Student Center, Beebe. (Source: Arkansas Department of Veterans Affairs, upcoming events, 2026.)
- **UAFS Center for Nonprofits Action Summit.** Wednesday, November 11, 9:00 a.m. to noon, Fort Smith. Free. Registration route on the university's events page. Wednesday is Veterans Day; confirm your attendance plan against the holiday. (Source: University of Arkansas Fort Smith, Center for Economic Development, 2026.)
- **Arkansas Veterans' Business Summit.** Friday, November 13, 9:00 a.m. to 3:00 p.m., State Extension Office, South University, Little Rock. Hosted by the Arkansas APEX Accelerator; connects veteran business owners with procurement representatives and resource partners. (Source: U.S. Small Business Administration event listing, 2026.)
- **Chili cookoff benefiting CASA of Saline County.** Tuesday, November 3, Benton. A community fundraiser for the Court Appointed Special Advocates program in Saline County. Time and ticket route stand on the publisher's page. (Source: MySaline, 2026.)

9. TRAINING RADAR

- **Impact Works Nonprofit Accelerator (Rally Point).** The first cohort begins today, Monday, November 2: nonprofit organizations from Arkansas, Alabama, and Washington, twelve weeks, six modules at two weeks each, delivered remotely. The mentors are Dr. David White, LaConda Watson, Freddie Scott, Jr., and Jaymie Jenkins Pedigo. The program begins this evening, Monday, November 2, 2026, with its beta class. A waiting list for the next cycle is now open. To be placed on the list and receive an application,

email Jeff Watts at jeff@rallypointnc.org.

- **UAFS Center for Nonprofits Action Summit.** November 11, Fort Smith (Section 8). A working session for nonprofit leaders in the River Valley, free, on a federal holiday; plan staffing accordingly.
- **Arkansas Counseling Association conference.** November 11 to 13, North Little Rock. The state's counseling profession gathers; behavioral health nonprofits that employ counselors should note the dates against their own training calendars. (Source: Arkansas Counseling Association, 2026.)

10. MOVEMENT

Movement is a sourced, dated, no-commentary record of sector change: leadership moves, openings, closings, mergers, and major awards, each with its source and date.

No movement items to report this week.

11. SEASONAL AND DISASTER READINESS

- **Drought, from the U.S. Drought Monitor itself.** Release of Thursday, October 29, 2026 (data valid October 27): exceptional drought (D4) covers 37.06 percent of Arkansas, up from 19.43 percent in the prior release. Extreme and exceptional combined (D3 to D4) stand at 80.38 percent. The whole state, 100 percent, stands in at least abnormally dry conditions. Source the figures to the Monitor, not to any summary of it.
- **Fire danger.** The Arkansas Forestry Division wildfire map read November 1 lists no county at Extreme and most counties at High. Burn bans are set county by county and change with conditions; check your own county judge's office or the Forestry Division before any outdoor burn, and treat the Tuesday rain as weather, not as a lifted ban.
- **Election Day storms.** National Weather Service Little Rock, checked November 1: a Tuesday system brings strong rain chances, over one inch of rain in places and over two inches in spots, with a few strong to severe storms possible Tuesday afternoon and evening. Gusty winds are the primary concern. No watches, warnings, or advisories stood active at check time. Northwest Arkansas carries the risk earliest, late Monday into Tuesday. Plan Tuesday travel and outdoor work around the afternoon window.
- **Farm and forestry operations.** EO 26-16 keeps the dyed diesel penalty suspension in place for qualifying vehicles while the emergency stands (Section 4). Harvest and delivery work extends into November across the state; the relief is part of the operating picture for rural organizations running trucks this month.

12. WHAT TO WATCH

- **Mon Nov 16** — Bill pre-filing opens for the 2027 Regular Session. OJJDP step 1 deadline in Grants.gov for organizations already registered (Section 5).
- **Fri Nov 20** — Levitt Foundation festival grants close (grants up to $5,000 for music festival work; Levitt Foundation, 2026). USDA Equipment Assistance Grant due, schools on the same terms as Section 5.
- **Sat Nov 21** — DHS comment closes on Sedation Dental Coverage, Medicaid Service Delivery in Mobile Units, and Minimum Licensing Standards for Child Welfare Agencies.
- **Mon Nov 23** — Full Table Fund Notice of Intent date. The notice is not required to apply (Section 4); the date still works as a planning marker for your own application calendar.
- **Mon Dec 7** — Full Table Fund applications close, 11:59 p.m. Central.

- **Thu Dec 18** — Delta Dental Oral Health Education Grants submission deadline (Section 5).
- **Thu Mar 11, 2027** — AEDC Rural Community Grant Program, Cycle II, closes: up to $15,000 in state matching funds for community development or fire protection. Read the eligibility line before you plan around it: applications run through incorporated towns and unincorporated communities under 3,000 people, by the mayor or county judge. A private nonprofit does not apply on its own; a nonprofit's route is as a partner to its town or county. (Source: Arkansas Economic Development Commission, 2027 application.)

13. FOR DIRECTORS THIS WEEK

- Comment today or not at all: the two DHS comment periods in Section 3 close Monday, November 2.
- If your organization treats youth substance use and holds a current SAM.gov registration, the OJJDP two-step clock is already running: SF-424 by November 16 (Section 5).
- Delta Dental mini grants are due Friday. A one-page oral health project description is the whole lift (Section 5).
- Put the Full Table Fund on the November board agenda now: notice marker November 23, applications close December 7 (Sections 4 and 5).
- Plan Tuesday around the afternoon storm window, and tell your team the plan Monday, not Tuesday morning (Section 11).
- If a seat at Friday's Servant Leader Luncheon serves your team, registration closes Thursday (Section 8).

14. THIS WEEK'S CONCEPT

Notice of Intent. A notice of intent is a short form that tells a funder you plan to apply. It is not an application, and it is not an approval or a promise of one. Some funders require it before they will open an application to you. Others, the Full Table Fund among them, ask for it as a planning courtesy and say plainly that it is not required. Read the funder's own words before you treat the date as a wall. Used well, an optional notice still earns its keep: it helps the funder plan reviewers, and it gives your own team a dated commitment to start the real application.

15. SOURCES

Every item above was read at its publisher on the date shown. Links are the publishers' own pages.

Arkansas Department of Human Services, Proposed Rules (comment periods, hearings, final rule), checked November 1, 2026. Governor of Arkansas, EO 26-16 (October 30, 2026), read November 1, 2026. U.S. Drought Monitor, Arkansas, data valid October 27, 2026, released October 29, 2026, read November 1, 2026. Arkansas Forestry Division wildfire danger map, read November 1, 2026. National Weather Service Little Rock, forecast and outlook, checked November 1, 2026; National Weather Service Memphis flood advisory, November 1, 2026.
